

Business Membership

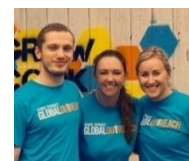

East End Community Foundation is a trusted philanthropic advisor and grant maker, dedicated to increasing opportunities for people living in London's East End for over 30 years. Working to champion local giving in London's most deprived boroughs, offering CSR advice and coordinating community investment, we collectively achieve greater social impact.

By supporting our work through Business membership, you can take advantage of exclusive benefits to complement and bolster your local corporate social responsibility programmes including an opportunity to guide our work with voting rights at our AGM and the ability to stand for a trustee position on our board, access to exclusive volunteering opportunities, knowledge-sharing and networking events.
